ELITE VIRTUAL

COMPANY PROFILE 2026

Virtual Experiences.
Real Connections.

Bring your event to life, wherever your audience is.

Table of Contents

WHO WE ARE

More than a virtual event. A complete 360° event experience.

Elite Virtual is a Saudi platform for virtual and hybrid events, bringing together immersive digital environments, live content, and interactive experiences.

From conferences and exhibitions to corporate events and professional gatherings, we help organizations extend their reach, engage their audiences, and bring their events to life beyond physical venues.

PLATFORM CAPABILITIES

The Digital Tools Behind Better Event Experiences.

01
Immersive Digital Venues

02
Live Streaming & Studio Production

03
Audience Engagement

04
Custom Registration

05
Exhibitor Booths & Meetings

06
Branded Experiences

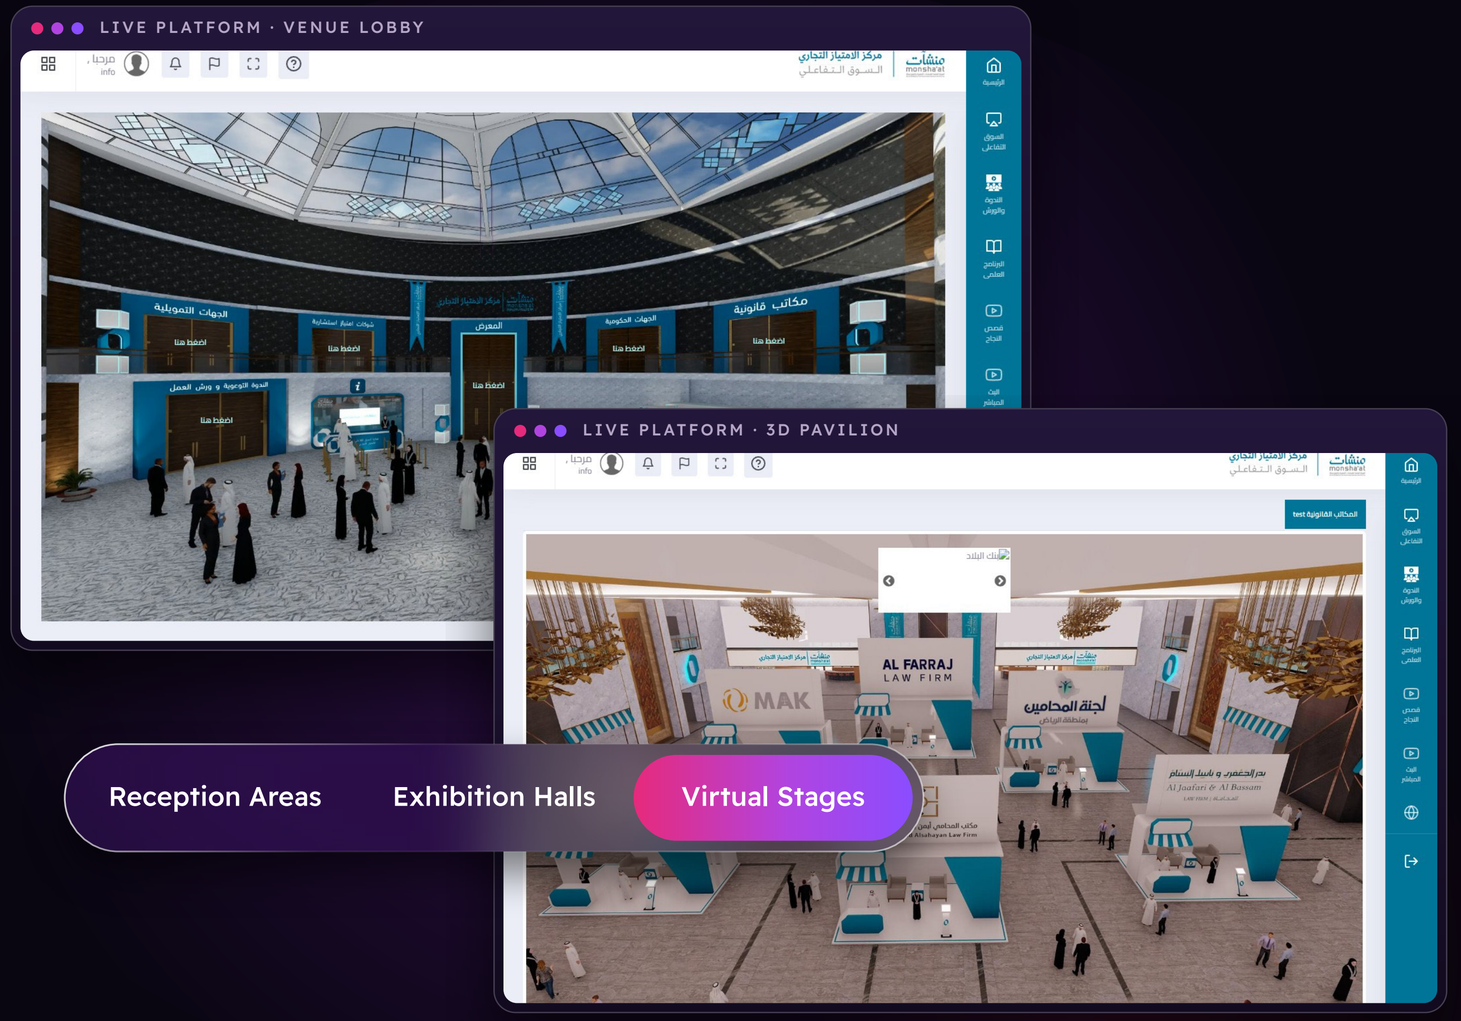

07
Hybrid Event Integration

08
Live Analytics & Reporting

01

Immersive Digital Venues

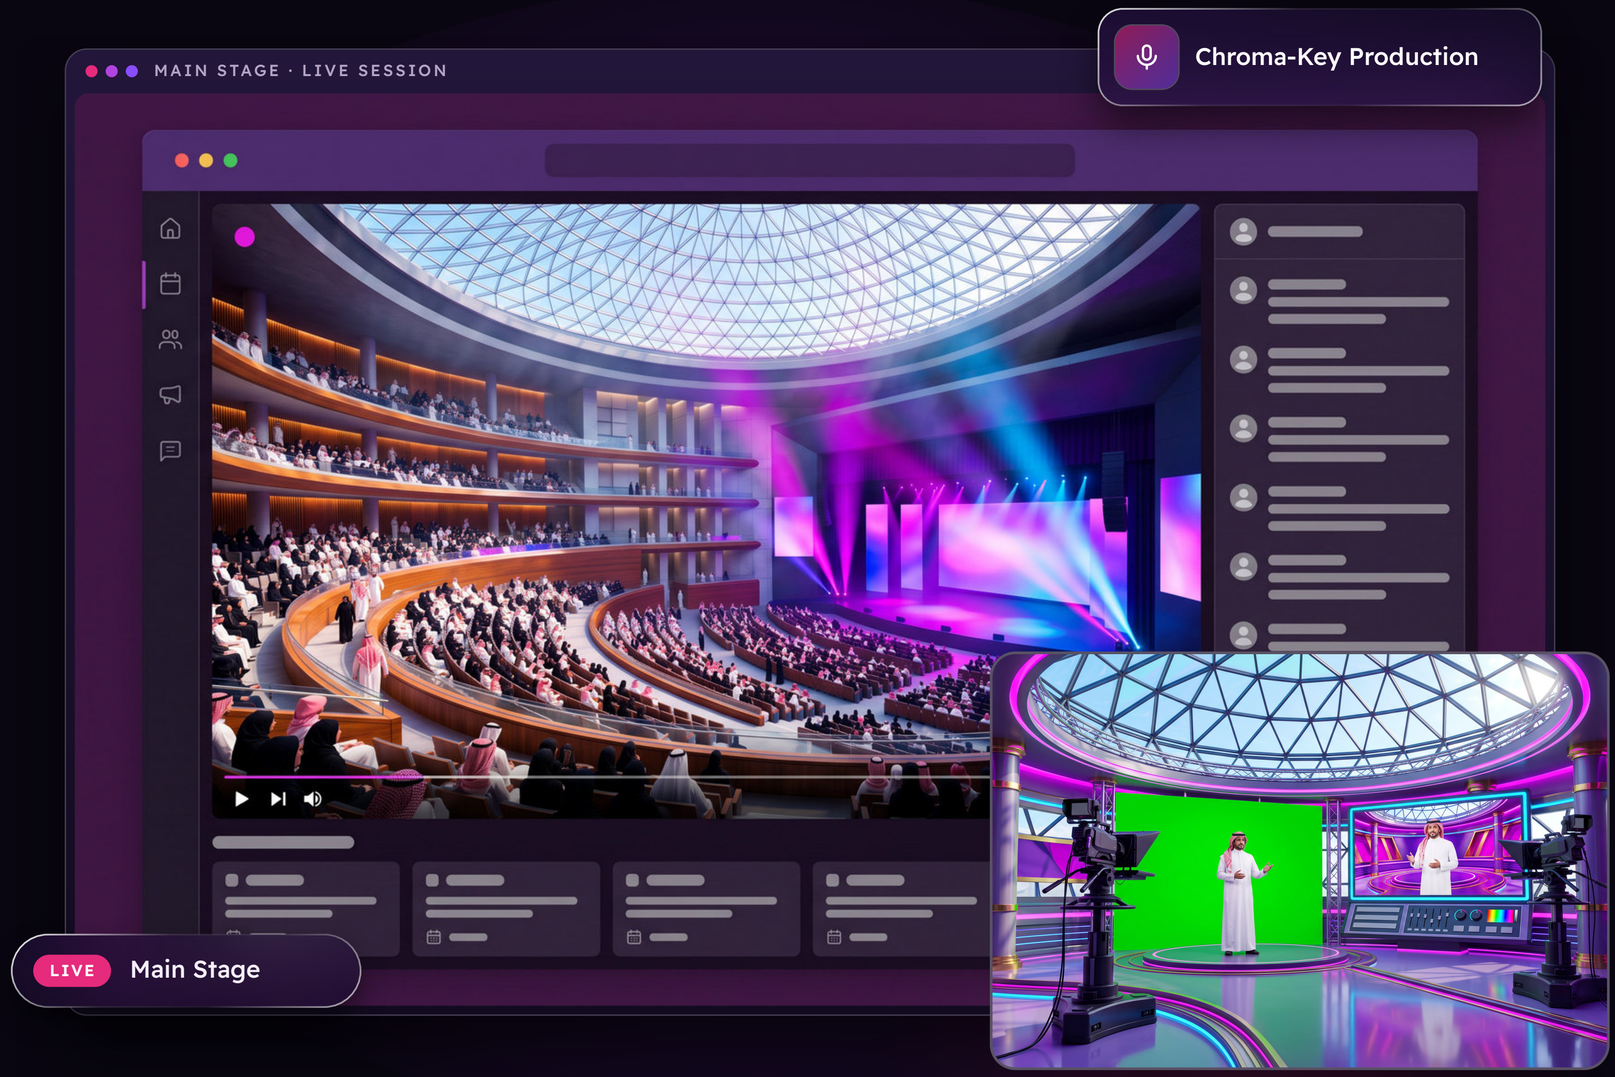

Customizable 3D environments and 360° experiences, including reception areas, exhibition halls, and virtual stages.

02

Live Streaming & Studio Production

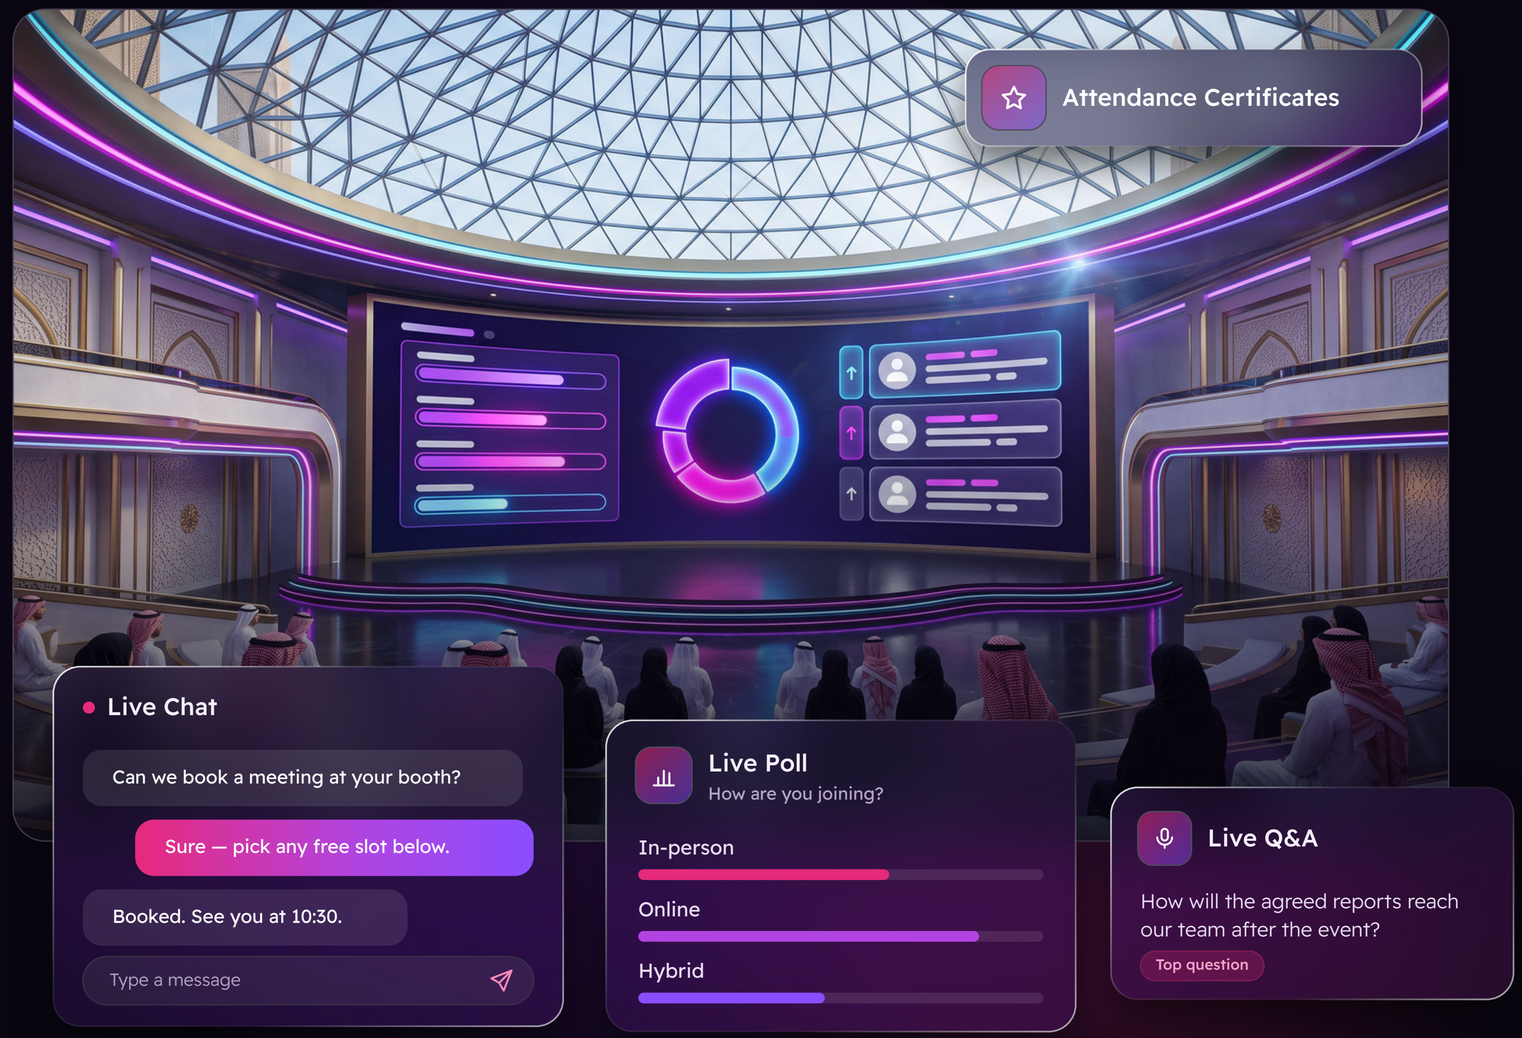

Live sessions from your event venue or studio, with chroma-key production that brings speakers into the virtual environment.

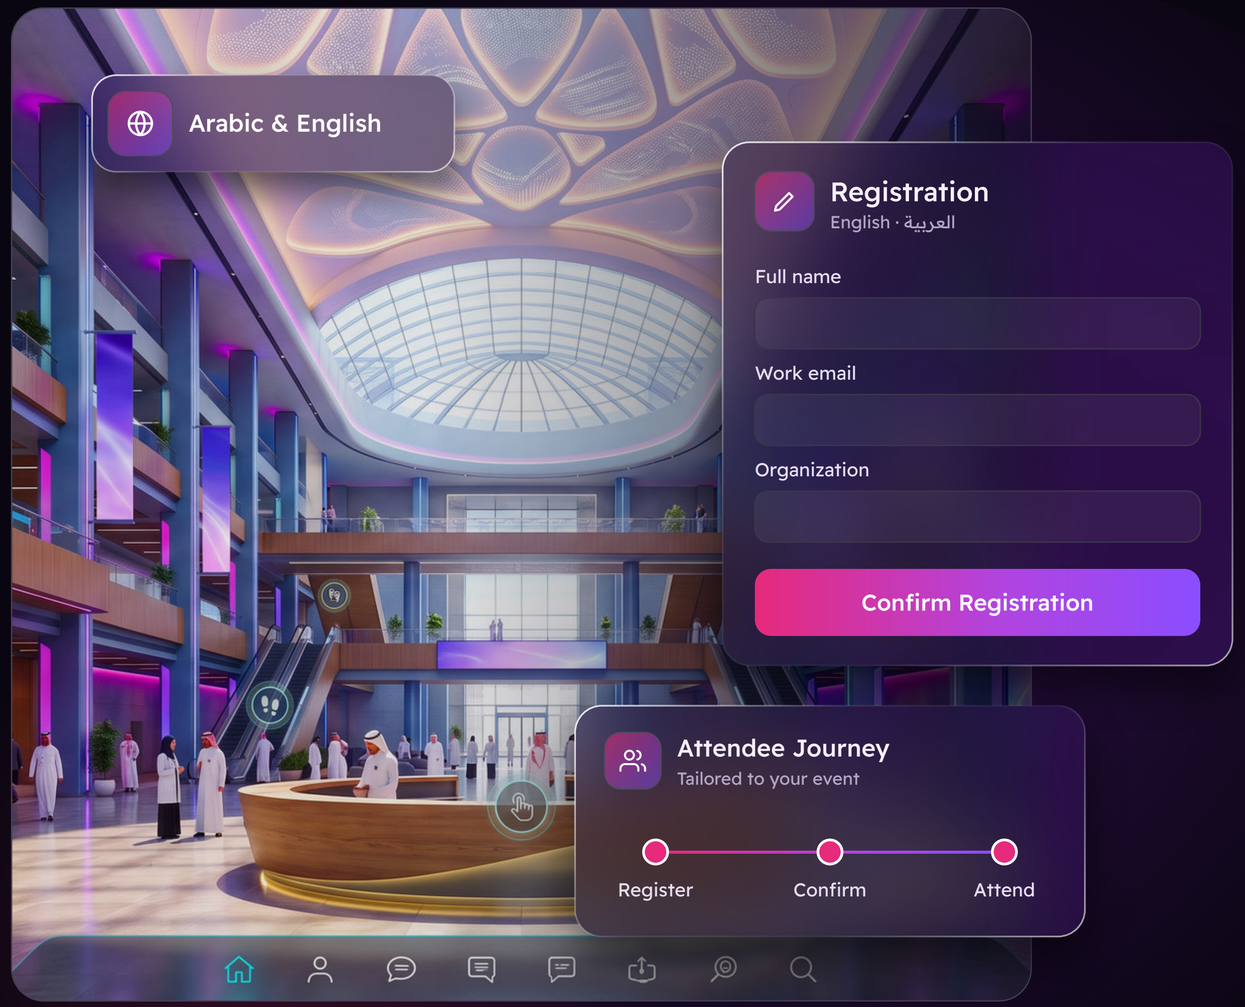

03

Audience Engagement

Text, voice, and video chat, alongside live Q&A, polls, and attendance certificates.

04

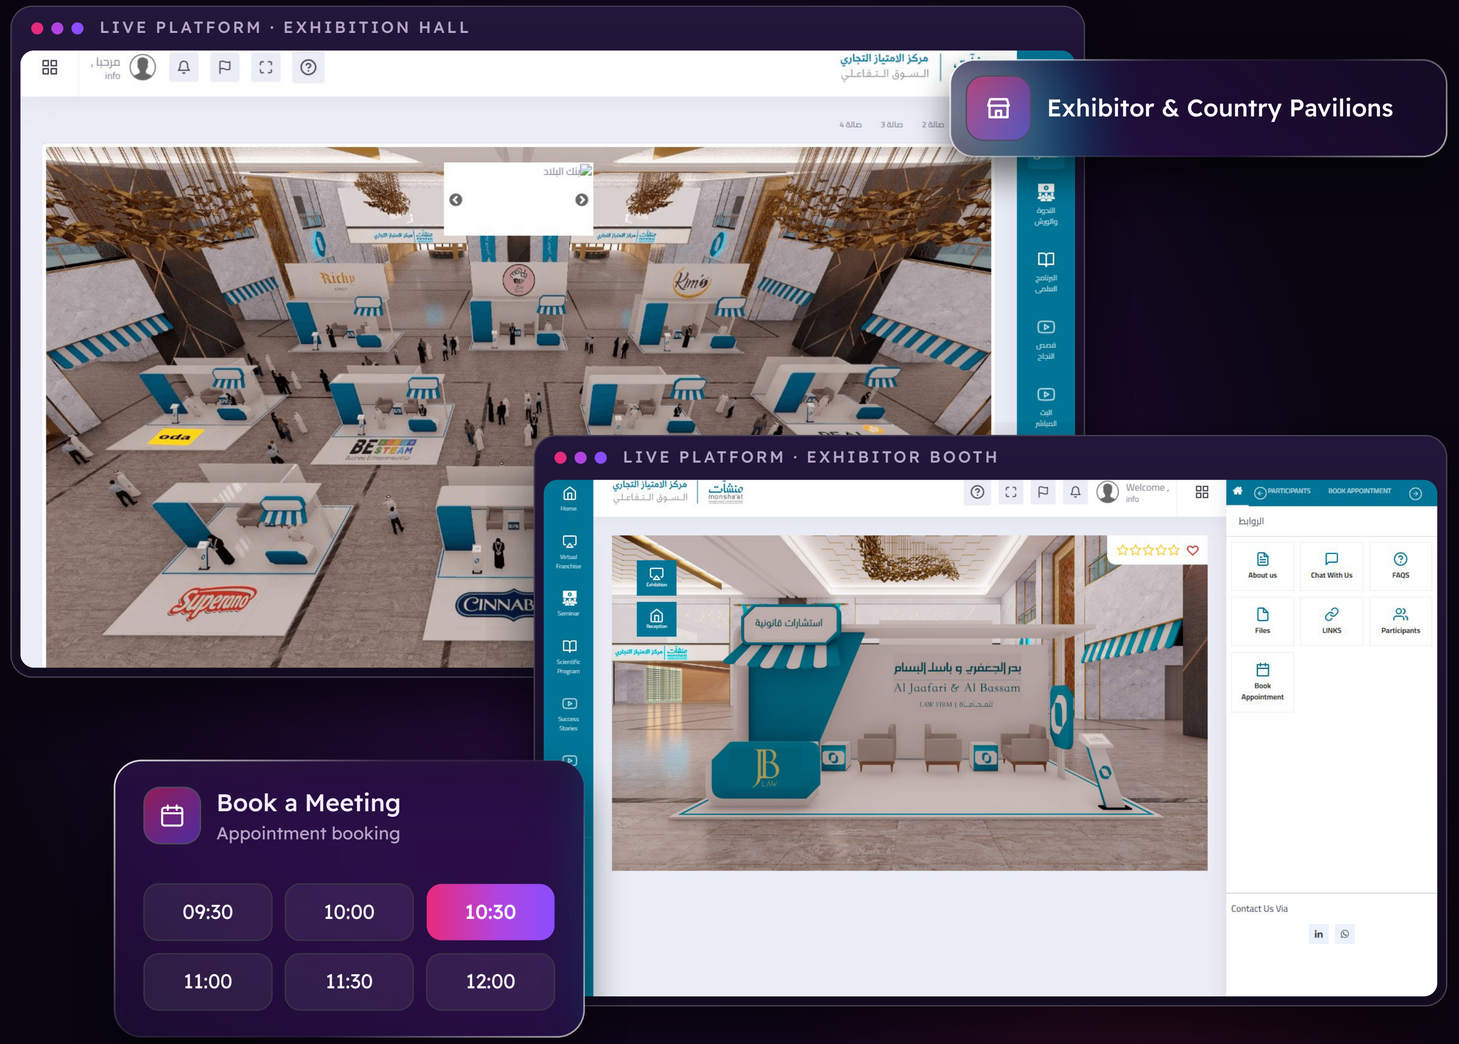

Custom Registration

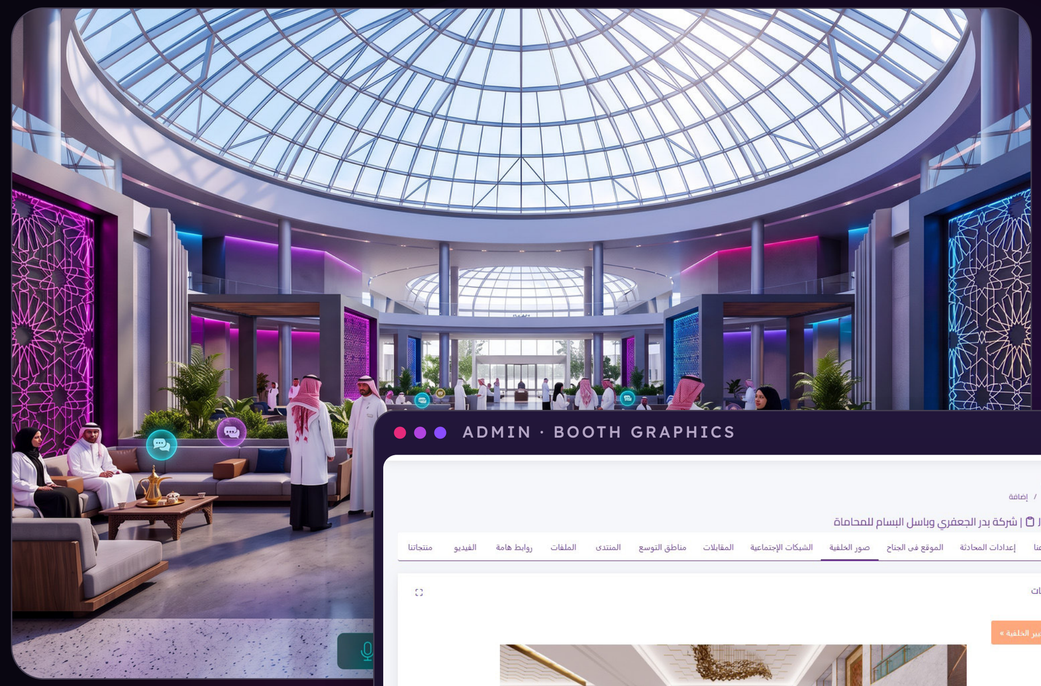

Registration forms, fields, and attendee journeys tailored to your event, with Arabic and English support.

05

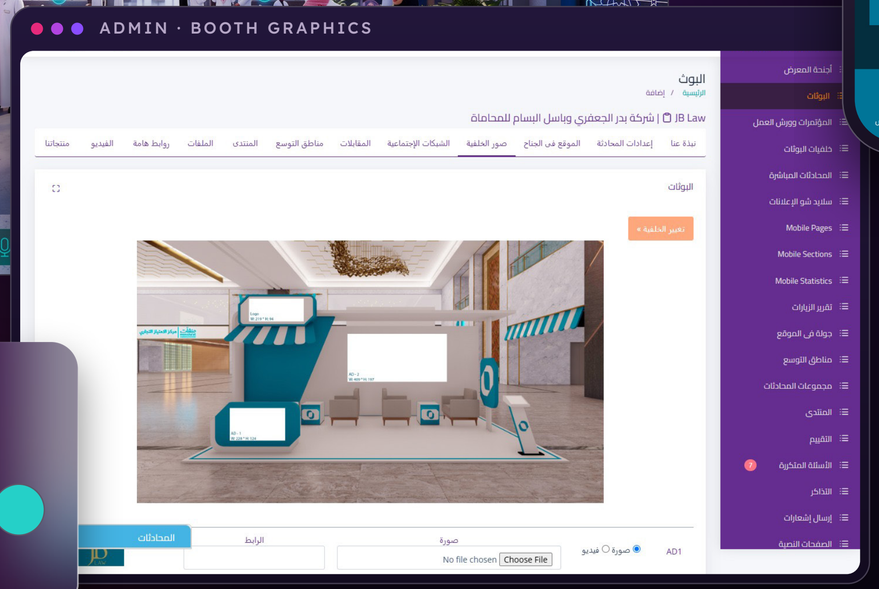

Exhibitor Booths & Meetings

Branded exhibitor and country pavilions, direct visitor interaction, and appointment booking.

Your Identity

Digital venue · Registration · Mobile app

Aa

06

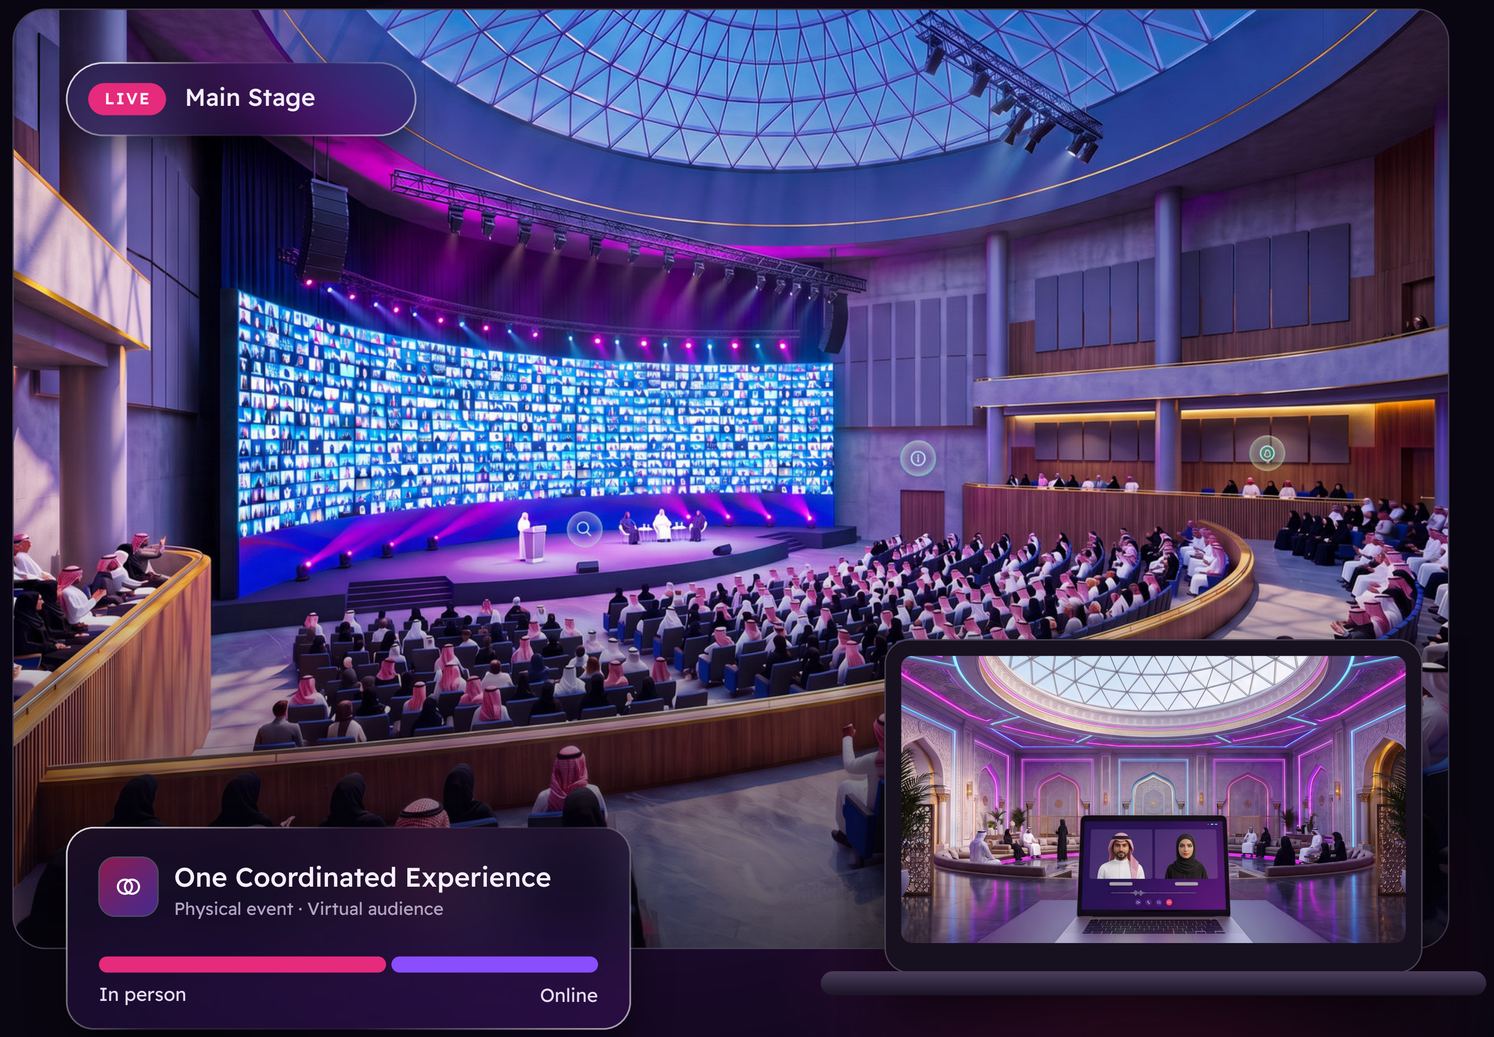

Branded Experiences

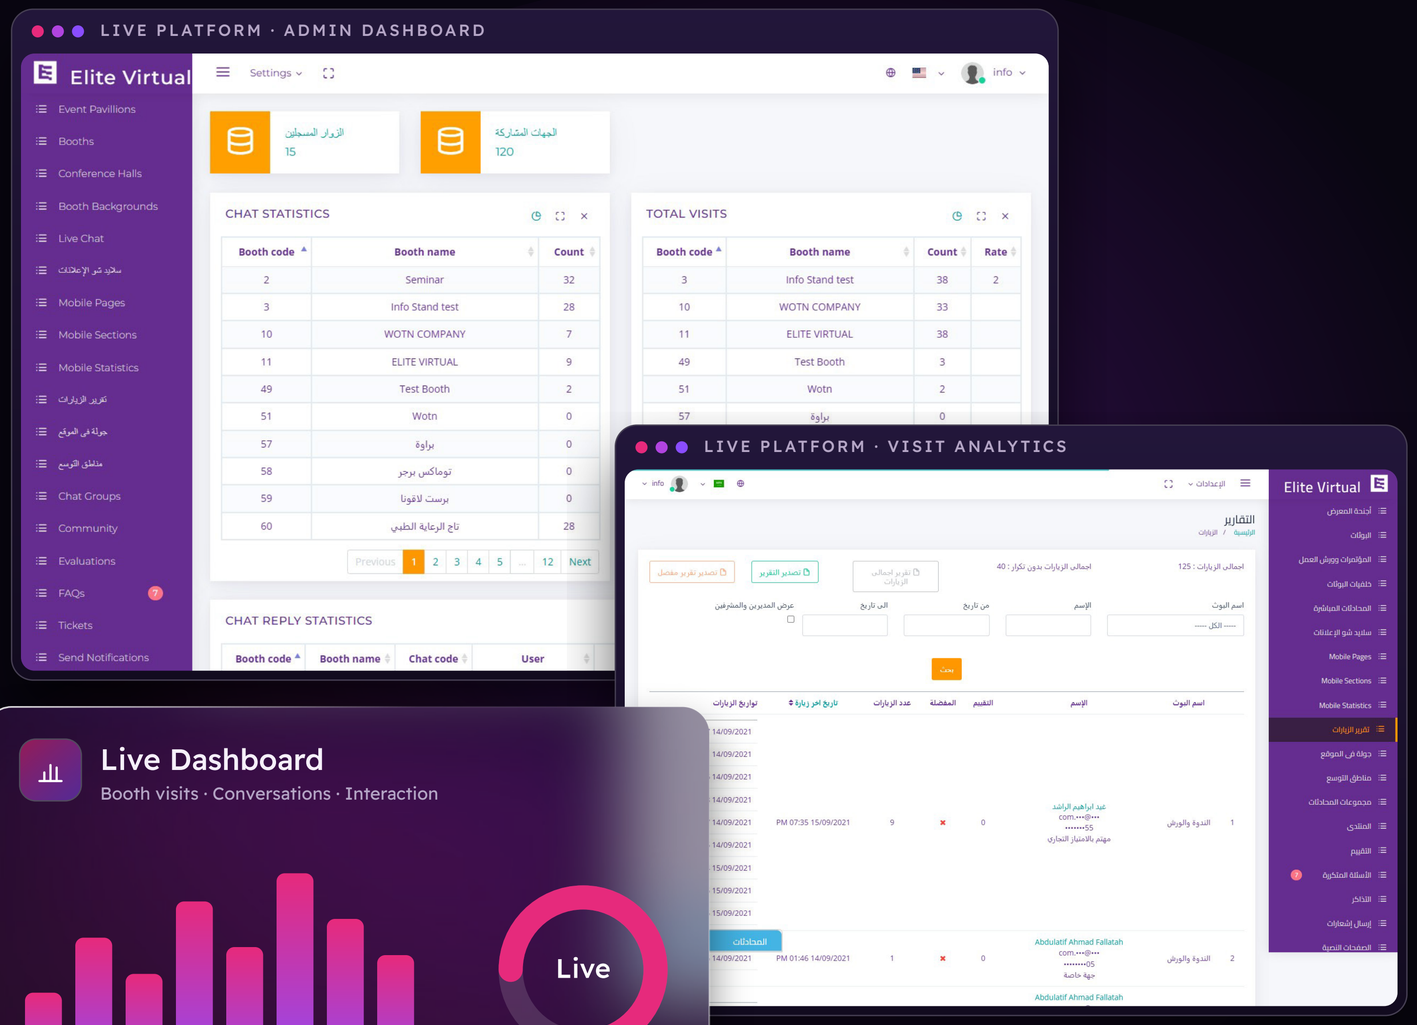

Your identity across the digital venue, registration journey, and branded mobile application.

07

Hybrid Event Integration

Connect the physical event with its virtual audience through one coordinated experience.

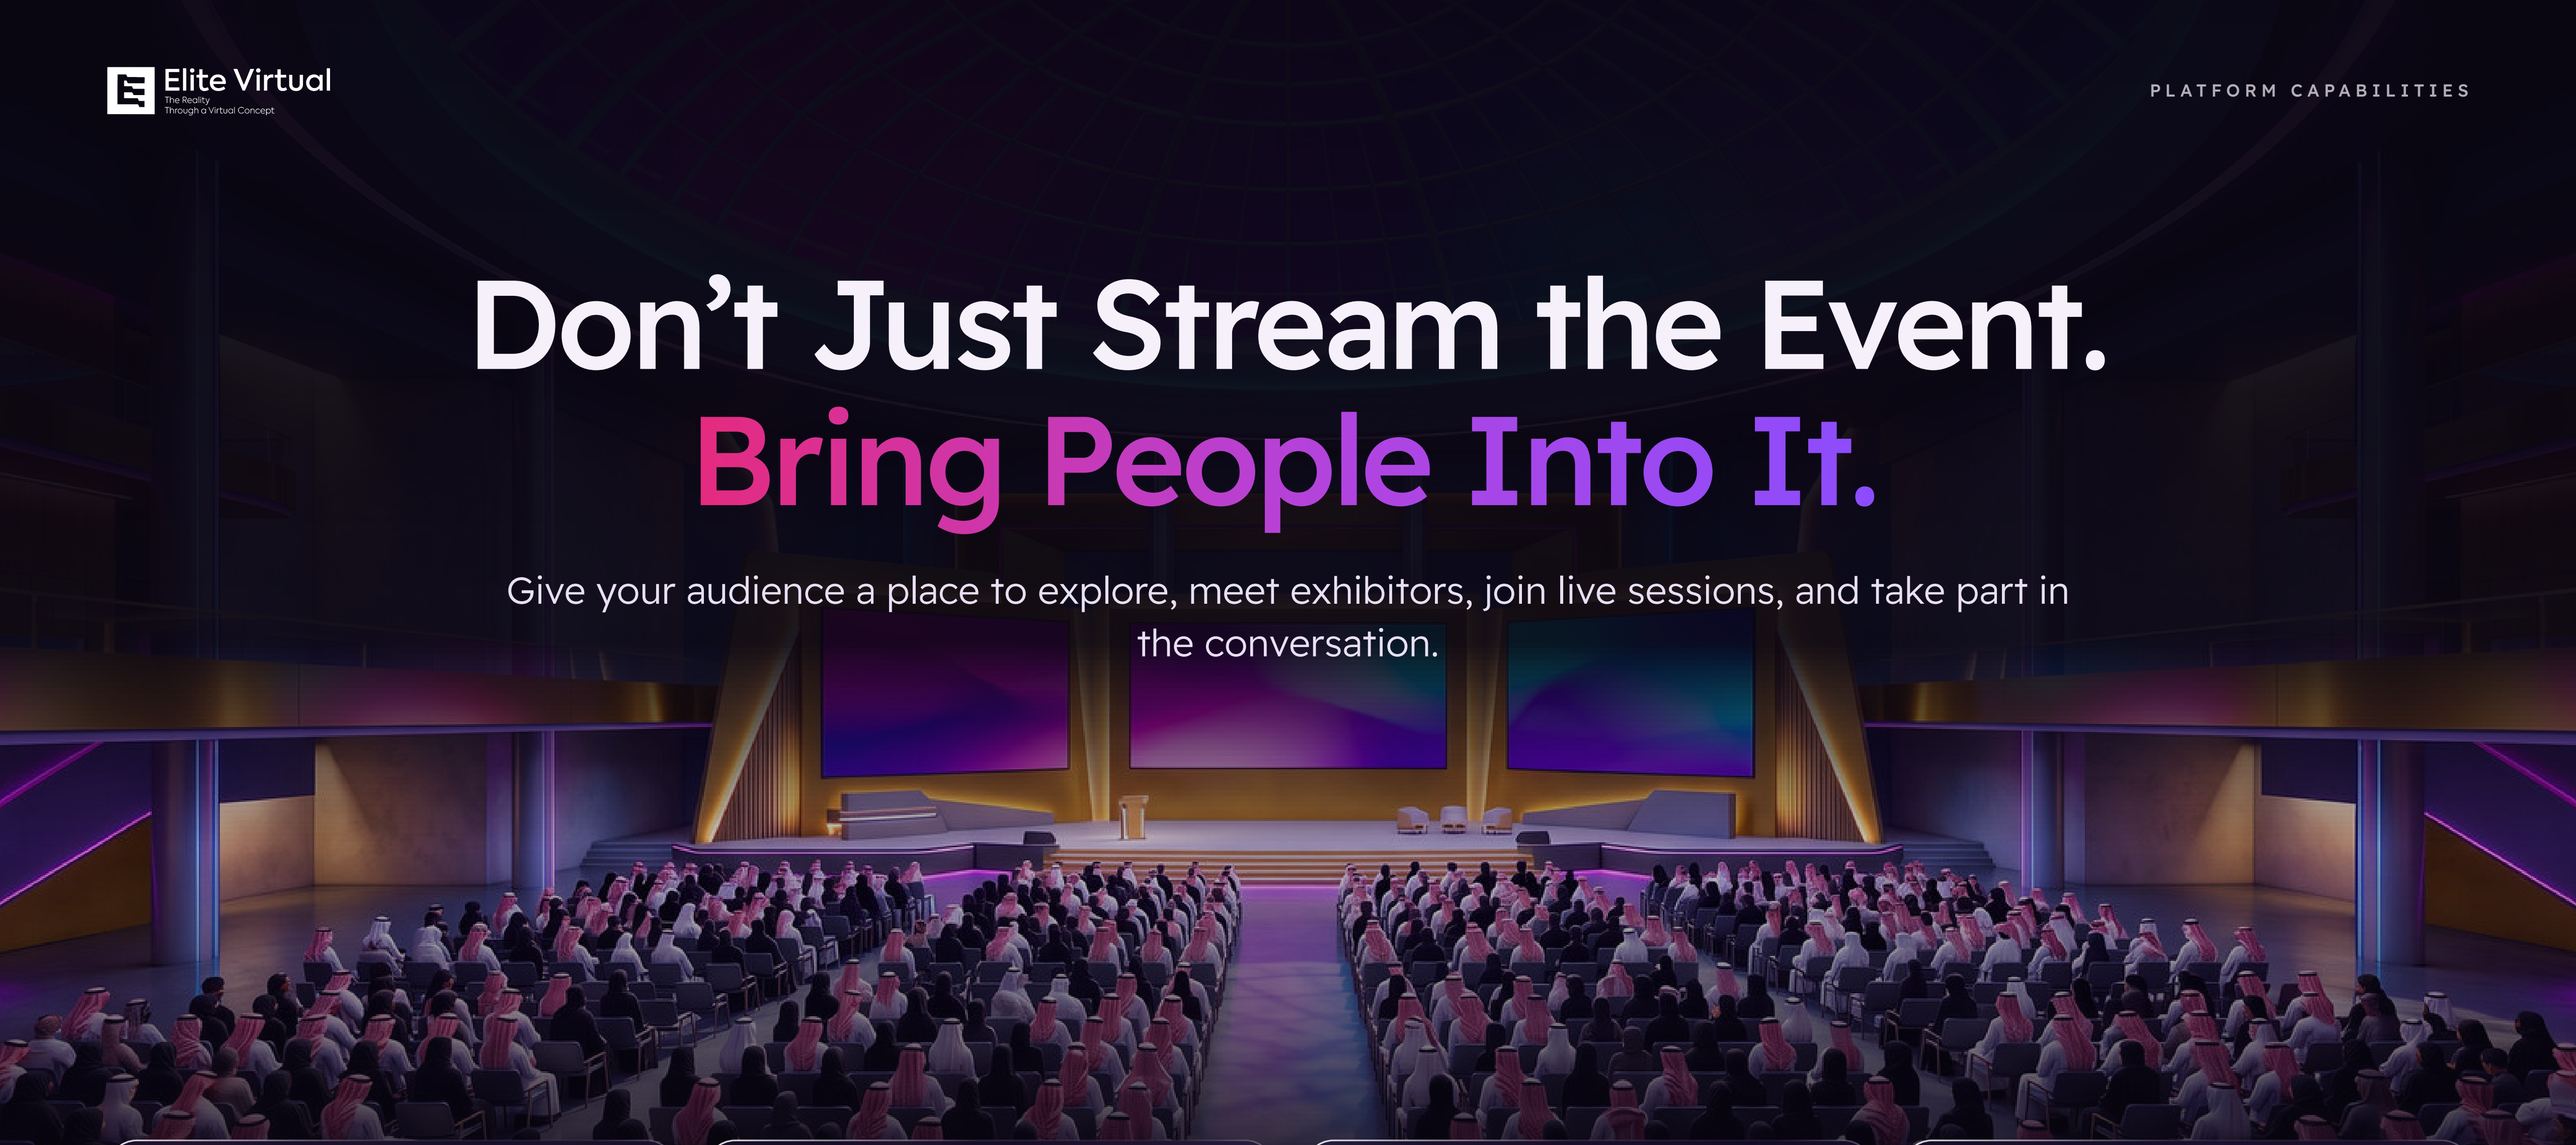

08

Live Analytics & Reporting

Dashboard insights into booth visits, conversations, and audience interaction as the event unfolds.

Don’t Just Stream the Event.
Bring People Into It.

Give your audience a place to explore, meet exhibitors, join live sessions, and take part in the conversation.

Explore.

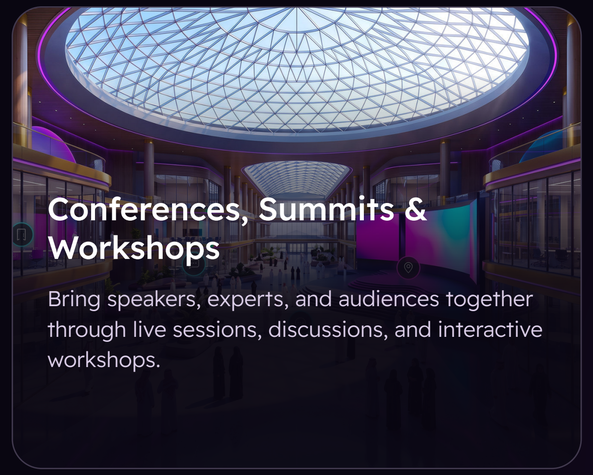

Participate.

Interact.

Connect.

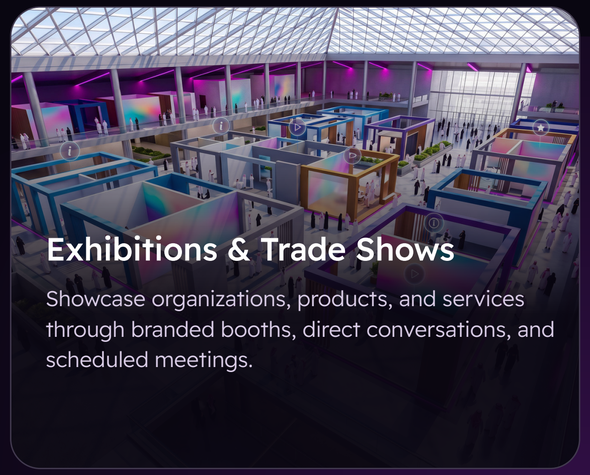

EVENT FORMATS

One Platform. Multiple Ways to Connect.

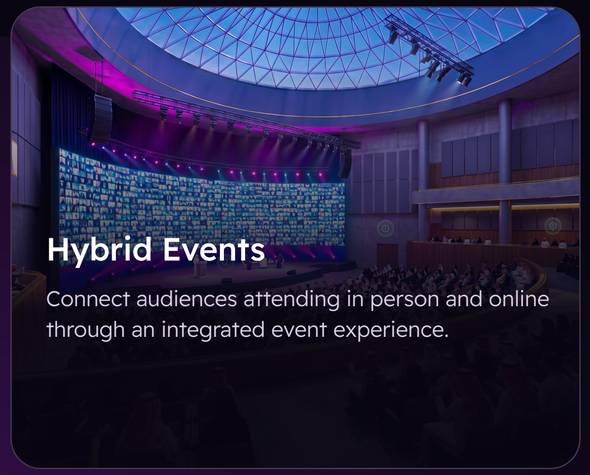

Conferences, Summits & Workshops

Bring speakers, experts, and audiences together through live sessions, discussions, and interactive workshops.

Exhibitions & Trade Shows

Showcase organizations, products, and services through branded booths, direct conversations, and scheduled meetings.

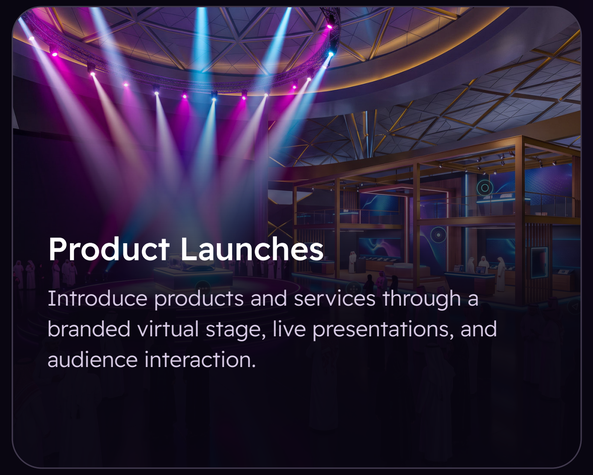

Hybrid Events

Connect audiences attending in person and online through an integrated event experience.

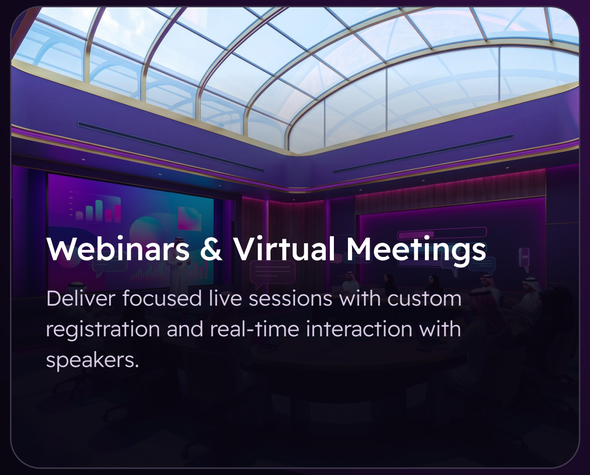

Corporate Events & Annual Meetings

Bring employees, partners, and stakeholders together for internal events, announcements, and annual gatherings.

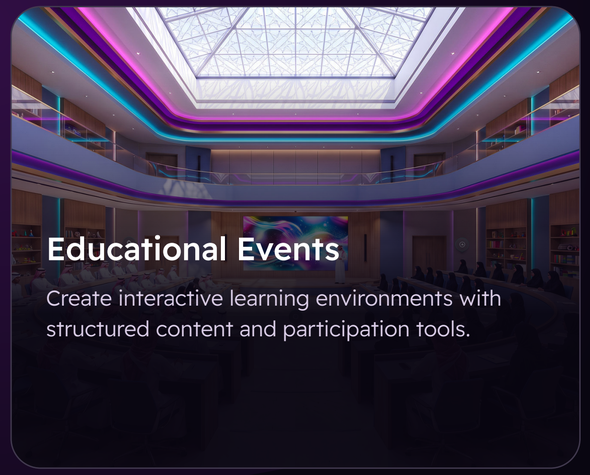

Product Launches

Introduce products and services through a branded virtual stage, live presentations, and audience interaction.

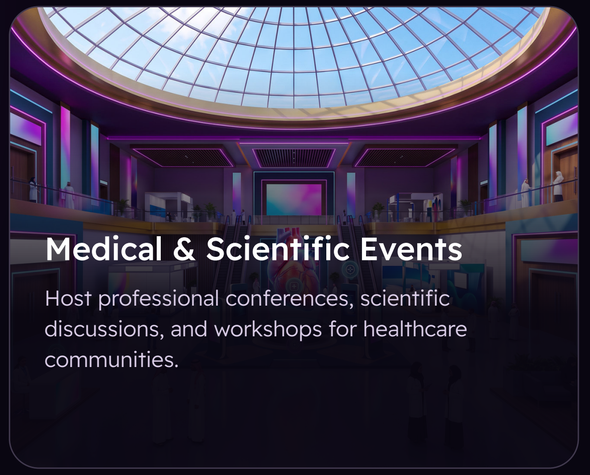

Webinars & Virtual Meetings

Deliver focused live sessions with custom registration and real-time interaction with speakers.

Educational Events

Create interactive learning environments with structured content and participation tools.

Medical & Scientific Events

Host professional conferences, scientific discussions, and workshops for healthcare communities.

OUR DELIVERY METHODOLOGY

From the first conversation to the final follow-up.

01

Discover

Understand the objectives, event, audience, and success criteria.

02

Design

Develop the event concept, digital environment, branding, and attendee journey.

03

Prepare

Configure the agreed platform features, content, registration, and technical setup.

04

Test & Rehearse

Review the experience, test the agreed functionality, and prepare speakers and stakeholders.

05

Deliver

Coordinate the live event and provide the agreed technical support.

06

Review & Close

Provide the agreed reports, complete handover, and capture lessons for future events.

SUCCESS PARTNERS & PORTFOLIO

Trust Built Through Delivery.

Proudly Trusted by the top organizations worldwide.
